

Copper Hills High School Recognition of State Champions

It is the intent of Copper Hills High School to recognize teams who win state championships.

It is also the intent of Copper Hills High School to recognize students and teams who, while representing Copper Hills High School, win individual state championships and who receive superior ratings in state or national competitions.

1. Teams who win a Utah High School Activities Association State Championship will be honored in a 20-minute end of the day assembly. Each member of the team will also receive, during the assembly, a Copper Hills High School Champions pin.

Criteria for receiving the recognition assembly is:

- a. The championship must result from a competition in a UHSAA sanctioned sport or activity.
 - b. The championship must also involve moving through a regional competition and then advancing to a statewide championship competition.
2. Students who earn an individual state championship and teams or individuals who receive superior ratings in either state or national competitions will also receive recognition. That recognition will be as follows:
 - Their names will be read on the daily announcements. It is the responsibility of each coach or advisor to give the names of the honorees to the administration.
 - They will be asked to stand and receive the recognition of the student body in a general school assembly that immediately follows the competition.
 - A member of the administration will attend a meeting of the team and present the recipients of the award a Copper Hills High School Champions pin.
 - Each team is encouraged to further recognize the recipients. That recognition will be provided by and financed by the team or group.

Those who receive this level of recognition will be:

- a. Programs that participate in a "festival format."
- b. Individual state champions in athletic events sanctioned by UHSAA.
- c. Individual state champions or state and national level superior ratings in the performing arts, CTE programs, forensics, foreign language programs, visual arts programs, or other programs determined by the administration.
- d. Visual arts students who receive state level superior ratings or who receive the equivalent recognition in "shows" designated by the administration.

Signed

Todd Quarnberg, Principal

Student Body President
