Dear Parents,

EVERY student at Copper Hills High School participates in PTSA-sponsored and supported activities. These include Reflections, CHHS Olympics, Battle of the Bands, Homecoming, Senior Sunset and other activities. PTSA also provides meals for our teachers during parent conferences and teacher appreciation week.

For several years, PTSA has used clothing and blanket sales to provide the necessary funds to run these programs. Clothing sales have declined due to individual clubs providing their own clothing. As such, we will not be able to achieve the necessary funds in the years to come.

Networking with our student-lead PTSA Club and Community Council, it is our goal to continue offering blankets and clothing. However, **to maximize our impact in better serving students and teachers, we are asking you to add \$20 for each enrolled student as a “no fuss fundraiser” that nets 100 percent of your funds that are used only in our school. You can do this on your Skyward account** (or pay through the office any amount you choose.) This is not a membership fee. It is strictly to help fund the programs PTSA provides and supports.

PTSA is a 501(c)3 non-profit organization and your donation may be tax deductible; consult your tax professional for more information.

The budget has been discussed and set in open transparency with PTSA board, school administration, teachers and student representatives to ensure funds are allocated in amounts and areas having the most significant impact.

We appreciate your support of success for your school teachers and students! If you have any questions or desire further details, please feel free to contact us.

Sincerely,
David Pack, Ph.D.

Copper Hills High Parent Teacher Student Association (PTSA) Opportunities

- **Fundraiser & Donations**

Fundraiser net profit is approximately 50 percent of sales (cookie dough, coupon books, etc.). Blanket and clothing sales require large advance cash purchases that take years to repay and profit as little as 10-20 percent. Networking with our student-lead PTSA Club and Community Council, it is our goal to continue offering blankets and clothing as a service. However, **to maximize our impact in better serving students and teachers, we are asking you to add \$20 for each enrolled student as a “no fuss fundraiser” that nets 100 percent of your funds that are used only in our school.** PTSA is a 501(c)3 non-profit organization and your donation may be tax deductible; consult your tax professional. The budget has been discussed and set in open transparency with PTSA board, school administration, teachers and student representatives to ensure funds are allocated in amounts and areas having the most significant impact, such as Reflections, Battle of the Bands, Teacher Appreciation, Teacher of the Year and Senior Sunset. Please support your school teachers and students!

- **Membership**

\$6 each person, both guardians, grandparents, students and other adult family members are encouraged to join. Dues help safeguard educational-friendly and family-friendly legislation and initiatives. Without strong lobbying efforts with legislators, education funding easily diminishes. Being a vocal majority better ensures our voice is heard and followed amid other voices who might seek to divert educational funding for their own special interest. PTA is the largest organized child education advocacy group; however, membership has been shrinking yearly. Being a member does NOT obligate you to volunteer, and you won't be bothered with unsolicited contacts. If you support education, this is the least expensive and efficient way to demonstrate your support!

- **Open Meetings**

We encourage everyone to attend our public meetings to ensure transparency, communication and representation from all segments of our community. We welcome new people and new ideas. Currently we are meeting the second monthly Tuesday at 11:30am in the main office conference room. We'd be delighted to see you there!

- **Volunteering**

Calling all women and men! Your time and talents are not only desired, but also needed! You can tailor-make your own involvement without fear of being hounded. Serve where, when and how you wish. There are daytime and nighttime opportunities; at-home or at-school projects; one day per month, or one week per year schedules. Our goal is to have much committee work since many people working in synergy lightens work load, increases success and enjoyment. We have purposely not filled many roles in an effort to include new people. We have pared down volunteer areas considerably, focusing on the core areas of reported impact significance to ensure your time and effort are well invested. Among many other statistics, it is empirically proven through many studies that PTA membership and involvement at school significantly raises your child's / children's test scores and diminishes instances of substance abuse, as well as other truancy. Plus it helps you network with staff, teachers and administration to enhance understanding of our community and school success. Please contact our president, David Pack, with questions and/or to volunteer, david@octappella.com.

**2017-2018 UTAH SYSTEM OF HIGHER EDUCATION
CONCURRENT ENROLLMENT PROGRAM PARENT PERMISSION FORM**

Concurrent Enrollment Program Terms and Conditions

1. Concurrent Enrollment (CE) provides high school students an opportunity to take classes that earn both high school and college credit.
2. CE classes are college classes that require rigorous academic work. Course content may include controversial cultural, religious, political, aesthetic and human sexuality topics. Students must have the maturity to engage with the material in an academically appropriate manner and the organization and time management skills to complete more rigorous and demanding work than is required in high school. Students must also meet all college/university prerequisite requirements before enrolling in a CE class.
3. The CE program is open to students in grades 11 and 12; students in grades 9 and 10 may be admitted on a case-by-case basis. Students must be enrolled in a Utah public high school and be counted in the average daily membership. Students who have received a diploma, whose class has graduated from high school, or who have participated in graduation exercises are not eligible to participate in the CE program. Home-schooled students are eligible to participate in CE classes with permission from their local resident high school. Home-schooled students are subject to the same obligations as any student in the CE program.
4. Students may enroll in up to 30 CE credits per year. A CE class may not be repeated.
5. CE class registrations and grades, including withdrawals, are recorded on permanent high school and college transcripts, which may later impact eligibility for scholarships and financial aid and admission to certain college or university academic programs.
6. Withdrawing from or failing a CE class may impact a student's ability to receive financial aid in the future or enroll in additional CE classes.
7. **SUBMITTING THIS FORM DOES NOT ENROLL THE STUDENT IN CE CLASSES.** Students must complete the college or university's online enrollment process and pay CE class tuition.
8. A student who wishes to withdraw from a CE class must do so through his/her high school AND the college/university.
9. Although CE credit transfers from one Utah public institution to another, students should consult a college/university academic advisor to make class choices that meet their educational goals and transfer as equivalent credit.
10. CE students must abide by the college/university Student Code of Conduct and the high school Student Code of Conduct.
11. Students must contact the college/university CE administrator to request accommodations for a disability that may be required under the Americans with Disabilities Act and Section 504 of the Rehabilitation Act.

STUDENT ACKNOWLEDGEMENTS

- I have read and understand the terms and conditions of the CE program and wish to participate.
- I agree to abide by the terms and conditions of the CE program or risk loss of CE credit or removal from the CE program.
