In addition, during your 10, 11, or 12th grade year you must complete the following:

A project which you plan and carry out that provides service to the school, the community, your church or to the government. The project must involve a detailed plan, work assignments and supervised leadership provided by the applicant.

The project must be approved by Mr. Randall. It can not be a project that is being used for other recognitions. It can not be one sponsored by the school. This is a project which you develop and implement on your own.
