Dear Student:

We are happy to learn that you have signed up to take Honors English 10 and AP European History next year. If you have signed up for one of these classes, but not the other, and you are in 6<sup>th</sup> or 7<sup>th</sup> period (Hansen/Catten), you will need to contact the counseling office immediately and change to another AP Euro or English Honors class that is not team taught. Sixth and seventh periods are taught together, and the curriculum is intertwined, so **it is not possible to take one without the other.** By taking the courses together, you will be better prepared for both the AP Euro test and the end-of-level English test at the end of the year, and taking them prepares you for a successful academic experience at Copper Hills and beyond. Both courses are rigorous and fast paced, so come to school prepared to work hard, learn a lot and have a productive and enjoyable year.

Enclosed you will find information on the summer homework requirements for each of these classes. Please read the information thoroughly, as both classes have assignments due on the first day of school. Don't procrastinate; summer seems to slip away faster than we think! **NO LATE WORK** is accepted in either of these classes, so come prepared.

Again, we are excited about the curriculum and look forward to seeing each of you in the fall. Have a safe and enjoyable summer.

Sincerely,

Ms. Catten  
AP European History

Mrs. Hansen  
Honors English 10
