

Copper Cubs Preschool Information 2017-18

Eligibility:

Our preschool program is designed for 4-year-old children. Your child needs to be four years old by September 1, 2017 in order to enroll them. Your child must be potty trained and able to take care of all toileting needs independently. Our program is not geared to special needs students.

Curriculum:

We operate around a weekly theme. Sample themes are: community helpers, dental hygiene, Cat in the Hat, and Creepy Crawlers. Each week there are a variety of activities based on that theme. They include: a lesson on the theme, a science activity, a math activity, a language arts activity, snack time and free play time.

Start of School:

Preschool will begin the second week of October. Around the second week of September you should receive a flyer in the mail inviting you to our Meet the Teacher Night. If you do not receive this flyer, please contact Sherrie Eloff at Copper Hills High School. Contact Information: email sherrie.eloff@jordandistrict.org or by phone (256-5300 ext. 4314). **This meeting is for parents only.** You will have the opportunity to meet the high school students that will be teaching in our preschool.
